

For the betterment of our children and families, the ELC School District has agreed to partner with the Estherville Park and Rec Department/Estherville City Council to lease YOUR RWC pool from June 19th through Aug 18th for community use this summer. This lease agreement is for the hours of 1:30 PM to 7 PM daily. This agreement will have no effect on your membership or your use of the facility. YOUR membership will entitle you to use the pool as normal during its open hours of operation, including during the times the City will lease for their purposes. This agreement will not affect the gyms, play blocks, and fitness areas. These areas will be operated as normal by YOUR RWC. The ELC School Board/YOUR RWC believes this is a great way to showcase our wonderful facility and partner for the enhancement of the recreational opportunities of our children and families this summer.
